Subject: Bid #2024-21 Sludge Removal & Hauling Services

Dear Mr. Murphy

We are pleased to inform you that your submission for Sludge Removal & Hauling Services has been selected as the winning bid. After a thorough evaluation of all proposals received, your proposal emerged as the top choice alongside another exceptional submission. Ultimately, we have decided to award the contract to your company due to a couple of factors that set your proposal apart.

While both submissions were strong contenders, we would like to highlight the specific advantages of your proposal that influenced our decision:

1. **Fuel Surcharge:** Your company's fuel surcharge is the National Weekly average based on the U.S. On-Highway Diesel Fuel Prices which rise and fall instead of a set rate.
2. **Emergency/after-hours surcharge per load:** Your company charges \$50 per load instead of the competitor's charge of \$150 per load. That could result in significant savings per year.

Thank you once again for your participation and congratulations on being awarded the contract.

Warm Regards,

Tonya Smith
Purchasing Manager
