**Prohibition of Conflicts of Interest, Gratuities, Kickbacks and Use of Confidential Information**

Kentucky law prohibits conflicts of interest, gratuities, kickbacks and the use of confidential information regarding any public contract or a solicitation or proposal, therefore. The prohibitions are set for in KRS 45A.455 which provides:

1. It shall be a breach of ethical standards for any employee with procurement authority to participate directly in any proceeding or application; request for ruling or other determination; claim or controversy; or other particular matter pertaining to any contract or subcontract, and any solicitation or proposal therefore, in which to his knowledge:
  - a. He, or any other member of his immediate family has a financial interest therein; or
  - b. A business or organization in which he or any member of his immediate family has a financial interest as an officer, director, trustee, partner, or employee, is a party; or
  - c. Any other person, business or organization with whom he or any member of his immediate family is negotiating or has an arrangement concerning prospective employment is a party. Direct or indirect participation shall include but not be limited to involvement through decision, approval, disapproval, recommendation, preparation of any part of a purchase request, influencing the content of any specification or purchase standard, rendering of advice, investigation, auditing or in any other advisory capacity.
2. It shall be a breach of ethical standards for any person to offer, give or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept or agree to accept from another person, a gratuity or an offer of employment, in connection with any decision, approval or disapproval, recommendation, preparation of any part of a purchase request, influencing the content of any specification or purchase standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling or other determination, claim or controversy, or other particular matter, pertaining to any contract or subcontract and any solicitation or proposal therefore.
3. It is a breach of ethical standards for any payment, gratuity, or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or any person associated therewith, as an inducement for the award of a subcontract or order.
4. The prohibition of conflicts of interest, gratuities and kickbacks shall be conspicuously set forth in every local public agency's written contract and solicitation, therefore.
5. It shall be a breach of ethical standards for any public employee or former employee knowingly to use confidential information for his actual or anticipated personal gain, or the actual or anticipated personal gain of any other person (Enact. Acts 1978, ch.100, S 92, effective January 1, 1980; ch.250, S 16, effective April 9, 1980.)

Violation of the statute may result in a fine and/or imprisonment under the provisions of KRS 5A.990.

**INDEMNITY AGREEMENT**

\_\_\_\_\_ (the "Contractor") desires to provide labor and materials to the Regional Water Resource Agency ("RWRA").

RWRA is willing to allow the Contractor to provide labor and materials under the following conditions. The parties therefore agree as follows:

1. The Contractor shall assume all responsibility and liability for the negligent acts or omissions of its agents, servants, or employees. The Contractor shall be responsible for its employees and shall exercise all dominion, control, and authority over the means and methods used by its employees to perform any work for RWRA or while on RWRA property.
  
2. The Contractor shall comply with all federal, state, and local occupational safety and health laws and regulations, and local, state, and federal laws and regulations for "Maintenance and Control of Traffic During Construction".
  
3. To the fullest extent permitted by law, Contractor shall indemnify RWRA, its officers, directors, agents, and employees from all claims for bodily injury and property damage, including reasonable attorneys' fees, costs, and expenses, that may arise from the performance of Contractor's work, but only to the extent caused by the acts or omissions of the Contractor, or anyone employed directly or indirectly by the Contractor, or any subcontractor employed directly or indirectly by the contractor, or by anyone for whose acts any of them may be liable.

The effective date shall be considered the latter of the two dates as listed.

## Instructions to Bidders

### Scope

Emergency Bypass, Pumping and Misc. Services - is defined as the need for temporary pumping and short to long term bypass services in RWRA's sewer system and wastewater treatment facilities. These services may be on an emergency basis, requiring immediate response; or may be scheduled in advance. Over the last few years, costs associated with temporary pumping and various bypass setups required have varied. Given the nature of the need for these services, RWRA has no way to project any future quantities or annual expenditures to be expected by the bidder.

This Work generally will include, but not be limited to, providing all labor, equipment, materials, supplies, fuel, tools, and supervision necessary to implement a temporary pumping system for the purpose of diverting flow a duration of time to complete repair or rehabilitation work. The Work will be performed throughout RWRA's collection and treatment system boundaries within Daviess County.

The agreement will run for a period of three (3) years from AWARD with the option to renew for up to two (2) 1-year renewal periods, upon mutual agreement by both parties.

### Due Date and Time

All bids must be submitted as described within this document to **1722 Pleasant Valley Road, Owensboro, KY 42303, Attn: Tonya Smith, Purchasing Manager, no later than 2:00 pm local prevailing time on Tuesday July 30, 2024. At this time all bids received will be opened and publicly read. Any bids received after the due date and time will be returned unopened.**

## General Compliance

Please read these instructions carefully.

### Bid Submission

Typed quotation sheets are preferred; however, if handwritten, the sheets must be legible and in ink. Any pricing information that is illegible may result in the rejection of the bid.

Quotations must be made on the form provided. An accompanying letter of explanation is acceptable if bidder deems it necessary, but only quotes made on the provided forms will be evaluated.

In case of a discrepancy in the extension of a unit price, the unit price shall govern over the total price.

The signed completed original bid package and copies must be sealed in an envelope with the bidder's name, the bid number, and the bid opening date clearly marked on the outside of the envelope. **The bids shall be addressed and delivered to Regional Water Resource Agency, Attn: Tonya Smith, Purchasing Manager, David Hawes East Treatment Plant, 1722 Pleasant Valley Road, Owensboro, KY 42303.**

### Bid Copies

When submitting bids you must include the original signed bid, along with two (2) copies of the entire bid. Indicate on the first page of the bid "ORIGINAL" or "COPY". The original bid and all copies shall be submitted in one envelope.

Taxes

All prices shall be quoted exclusive of any taxes. The RWRA is exempt of all Federal excise, transportation and/or Kentucky sales tax. Any items supplied directly to RWRA from a supplier/manufacturer are exempt from sales tax. Any items purchased by a contractor that will be used in the fulfillment of a contract are not exempt from sales tax.

Bidder's Qualifications

Contractor's must demonstrate to the satisfaction of RWRA that he/she has adequate equipment, personnel, experience in the specific technical field (RWRA may request details regarding the specific experience) and understanding of the specifications to perform service under the contract. No contract will be awarded to any bidder who, in the opinion of RWRA, is not qualified to perform satisfactorily due to a previously unfavorable performance, reputation or lack of experience, capital, organization, equipment and/or consistent qualified staffing availability to conduct and complete the services in accordance with the terms and conditions of the contract. Additionally, any contract opportunity awarded to a Contractor via this bid opportunity may be cancelled at any time throughout the term of the contract should the winning Contractor fail to demonstrate acceptable performance or experience, lack the requisite capital, tools, equipment or personnel to conduct and complete the services in accordance with all applicable safety requirements and terms and conditions of the contract and/or given schedule as determined by RWRA management.

Acceptance Period

All prices quoted in this proposal must remain firm and open to acceptance by RWRA for a minimum of the term of the offer after bid opening.

Contract Terms/Renewals

The agreement will run for a period of three (3) years from AWARD with the option to renew for up to two (2) 1-year renewal periods, upon mutual agreement by both parties.

Competitive Sealed Bidding (KRS 45A.365) will be the method of procurement for the purchase of the item(s) listed herein.

Bonding

Some items will be required to obtain a \$1000 performance bond to the City of Owensboro to perform work in the public right of way.

BID AWARD

This bid will be awarded based on the lowest bid/best value to Regional Water Resource Agency.

The RWRA reserves the right to reject any and all bids and to waive any irregularities in said bids, and the RWRA also reserves the right to award bids based on the best interest and/or most advantageous to RWRA. Award will be made to the lowest responsive and responsible bidder meeting specifications.

Disqualification from Future Bids

Any contractor awarded a contract that fails to fulfill all the obligations of a contract will be disqualified from submitting a bid on Regional Water Resource Agency projects for a period of up to two (2) years.

### Safety

Vendor must perform work in a safe and timely fashion, provide (at Contractor's sole expense) any and all required safety equipment, devices and supplies necessary to complete the work, maintain a clean and safe work environment, follow safety requirements established by OSHA and the Regional Water Resource Agency, comply with all federal, state, and local occupational safety and health laws and regulations, and in particular, the following federal regulations according to the most current editions and publishing; General Industry Standards, 29 CFR 1910; Occupational Safety and Health Standards, 29 CFR 1926; Safety and Health Regulations for Construction and with Kentucky Occupational Safety and Health Standards, as codified in 803 KAR Chapter 2, and with the Kentucky Transportation Cabinet/Department of Highways Standard for Road and Bridge Construction (section 112). Maintenance and control of traffic during any work performed in the public right of ways shall follow all current guidelines of the Manual on Uniform Traffic Control Devices (MUTCD). In addition, any excavation work must comply with the Kentucky Call Before You Dig Law KRS 367.4901 - 367.4917. It should be noted that the RWRA collection system has the potential to contain hazardous substances to which the Contractor could be exposed and of which RWRA may not be aware. In the event RWRA becomes aware of the existence of a potential hazard, RWRA will attempt to notify the Contractor as soon as possible of the presence of such hazard. If, in the opinion of the RWRA, a contractor's safety measures are insufficient or non-compliant with the standards and guidelines referenced herein, work will cease immediately until sufficient corrective action is taken. In the case of such a safety deficiency or when a Contractor is unprepared to provide the necessary safety equipment for a safe work environment, RWRA may choose to dismiss the Contractor from that work order and procure the immediate services of the contractor in the next position to complete the work in a timely fashion. Future Work Orders will be awarded to the Contractor again only when the Contractor demonstrates, to the satisfaction of the RWRA, that safety compliances are satisfactory, and work will be performed without risk. Multiple instances of unsatisfactory safety policy adherence may result in disqualification from all future work order consideration.

It is the bidder's responsibility to obtain any permits and approval of traffic control plans, if required, for all street cuts from applicable governing body.

VENDORS WILL NOT BE PAID FOR DOWNTIME DUE TO SAFETY VIOLATIONS NOR WILL THE CONTRACTOR BE ALLOWED ADDITIONAL DAYS TO MEET THE TIME OF THE COMPLETION DATE FOR SAFETY VIOLATIONS.

### Materials

The Bidder is required to furnish all necessary labor and equipment needed to complete contract.

### Attire

The contractor's employees shall wear appropriate attire and safety equipment at all times while on site. All OSHA and RWRA rules and regulations shall be observed. Failure to adhere to safety regulations could result in termination of contract.

### Subcontractors

It is not the intent of this bid to utilize subcontractors. Bidders must be qualified to complete services for which they submit a bid. Subcontractors must be approved in advance. All subcontractors are held to the same standards as the prime contractor including insurance/safety/licenses/bonding.

### Insurance Requirements

The Contractor shall furnish the Owner with certificates evidencing the required insurance coverage, from an "A" or better rated (by AM Best Rating System) insurance company, prior to commencing work. Contractor shall procure and maintain for the duration of this bid insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by Contractor, its agents, representatives, employees or subcontractors.

Commercial General Liability: Limits of not less than \$1,000,000 combined single limit per occurrence for bodily injury, personal injury and property damage with at least \$1,000,000 annual aggregate.

Commercial Automobile Insurance: Limits of not less than \$1,000,000 combined single limit.

Workers' Compensation and Employers Liability: Workers' Compensation limits as required by the Labor Code of the Commonwealth of Kentucky and employers liability limits of not less than \$1,000,000 per accident.

Excess/Umbrella Liability: \$3,000,000.

All Subcontractors are held to the same standards as the Prime regarding insurance/safety/license/bonding.

#### Indemnity Agreement

All contractors shall be required to sign an Indemnity Agreement included in the bid package to be considered for this project.

#### Compliance with KRS 45A.343 and KRS 45A.395

Attached are statements which must be completed by bidders. These statements are required under the listed statutes and must be completed and submitted with the bid.

#### Kentucky Preference Law

RWRA follows KRS 45A.490 and 45A.494: Reciprocal preference to be given by public agencies to resident bidders.

#### Compliance with Applicable Laws/Regulations

Successful bidder must comply with the City of Owensboro/Daviess County ordinances relating to Occupational License Fees, business Licenses, payroll and net profits taxes and any other ordinances which may apply to any bid package.

#### Compliance with Equal Opportunity Statutes

The Regional Water Resource Agency is an equal opportunity employer and does not discriminate on the basis of race, color, religion, sex, national origin, age, marital status, physical or mental disability, or any other characteristic protected by law. RWRA is also committed to employing only United States citizens and aliens who are authorized to work in the United States and complies with the Immigration Reform and Control Act of 1986. Therefore, the successful bidder must demonstrate to the satisfaction of RWRA that he also conforms to all Federal, State and Local equal opportunity statutes. Further, the contractor will reimburse RWRA for any damages incurred due to any violation of the above-mentioned statutes by the contractor while under contract.

#### Additional Information

Requests for additional information or clarifications of bid specifications should be directed to Tonya Smith, Purchasing Manager, Telephone (270) 687-8440, or by email at [bids@rwra.org](mailto:bids@rwra.org). All inquiries shall be made no later than three days prior to the bid opening date. Clarifications may be made orally; all alterations, revisions or amendments to the specifications will be made only in writing by means of addenda. Bidders are required to acknowledge receipt of all addenda on the quotation sheet submitted with the bid. Addenda will be emailed to all prospective bidders of record and posted on [www.rwra.org](http://www.rwra.org) website.

Any bidder who receives this bid other than directly from the RWRA shall notify the RWRA that they have received the bid. This will allow the RWRA to notify all bidders of any addenda.

#### General Requirements

For the scope of work listed above, Bidders must meet the following qualifications to be considered for an award of Work:

- Have a sufficient inventory of pumps, pipes, hoses, road crossings, etc. available to meet the anticipated temporary pumping needs of RWRA.
- Be able to have a representative on-site for emergency consultation and coordination of services within 24 hours of contact from RWRA
- Have pumping equipment that meets the requirements of Temporary Pumping Equipment and Materials listed in Appendix A.
- Meet the Bonding and insurance requirements as listed within the Bid Documents
- Have a minimum of 5 years' experience providing temporary pumping services in municipal water industry.
- Have a staff with an in-depth understanding of hydraulics and capable of designing temporary pumping systems to convey specified flow rates.
- Have access to a Professional Engineer capable of stamping bypass pumping system, if requested by RWRA (PE's standard billing shall be used for invoicing).
- Have a staff qualified to deliver, set up, service, and maintain temporary pumping systems.
- Travel charges to and from RWRA locations will NOT be acceptable, billable hours shall be invoiced for time spent while at RWRA facility performing service
- RWRA reserves the right to supplement the BYPASS setup with RWRA-provided labor and materials

#### Safety and Protection is Critical for this Service Contract.

In addition to the General Safety Provisions associated with the Service Contract Bid Document, the following shall also apply to this service:

- A. The contractor shall be solely responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the Work. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury or loss to:
  1. all persons on the Site or who may be affected by the Work.
  2. all the Work and materials and equipment to be incorporated therein, whether in storage on or off the Site; and
  3. other property at the Site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, utilities, and Underground Facilities not designated for removal, relocation, or replacement during construction.
- B. Contractor shall comply with all applicable Laws and Regulations relating to the safety of persons or property, or to the protection of persons or property from damage, injury, or loss; and shall erect and maintain all necessary safeguards for such safety and protection. Contractor shall notify owners of adjacent property and of Underground Facilities and other utility owners when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation, and replacement of their property.
- C. All damage, injury, or loss to any property referred to in this Section caused, directly or indirectly, in whole or in part, by Contractor, any Subcontractor, Supplier, or any other individual or entity directly or indirectly employed by any of them to perform any of the Work, or anyone for whose acts any of them

may be liable, shall be remedied by Contractor (except damage or loss attributable to the fault of Drawings or Specifications or to the acts or omissions of RWRA or , or anyone employed by any of them, or anyone for whose acts any of them may be liable, and not attributable, directly or indirectly, in whole or in part, to the fault or negligence of Contractor or any Subcontractor, Supplier, or other individual or entity directly or indirectly employed by any of them).

- D. The contractor's duties and responsibilities for safety and for protection of the Work shall continue until such time as all the Work is completed and RWRA has issued a notice to that the Work is acceptable.
