RFQ #2025-20  
REGIONAL WATER RESOURCE  
AGENCY

DATE: January 16, 2025

The attention of persons and businesses bidding on this project is called to the following change in the drawings and/or specifications and/or bid documents: *The written statements of clarification, interpretation or corrections hereby modify the bidding documents by addition, deletions, or corrections and shall become a legal and binding part of the Contract Documents for this project. Bidders shall acknowledge receipt of the addendum by inserting its number and date in the Proposal Form. Failure to do so may subject the bidder to disqualifications.*

1. May law firms submit for proposals (and be considered) for legal services in some of the specialized practice areas listed, but not all?

RWRA is not intending to hire multiple attorneys for the different areas of expertise. Rather, RWRA is looking to hire a single attorney or a single firm that has expertise in as many of the areas listed as possible. If or when a situation arises in an area the selected attorney/firm is not knowledgeable in, RWRA expects the selected attorney/firm to aid RWRA in hiring a temporary attorney/firm to work with RWRA for that one situation. The selected attorney/firm will act as a liaison between RWRA and the temporary attorney/firm and to provide counsel to RWRA for the situation.
